## Years of Service to Michigan Schools

In the 27 years of its existence, the Network has provided programs and services to teachers, students, schools, and communities across Michigan. The Mathematics and Science Centers Program was created by legislation in 1988, providing grant funds to establish Centers in cooperation with local and intermediate school districts and higher education institutions. Today, all school districts across Michigan have access in their region to one of 33 M/S Centers.

Although the Network has actively sought and been awarded grants, Mathematics and Science Centers continue to provide quality programming for teachers and students to improve STEM education in Michigan despite more than a decade of reductions in base funding from the State School Aid Act-Section 99. Although the Network and Centers have actively sought grants, contracts, and in-kind contributions to support programming, the overall 80% decrease in state funding levels since 2002 have resulted in fewer professional learning hours for teachers, fewer STEM program hours for students, and decreases in other support services.

A return to full funding would allow the Centers and Network to more adequately address the STEM education needs of Michigan students, teachers, and schools.

## Michigan Mathematics and Science Centers Network | 2014-2015

The MMSCN is dedicated to providing data and resources for teachers and administrators to assist with the teaching of math and science. I was requested to redesign their 2015 annual report, within which I used soft colors and light graphics to present data in an easy to digest way.

## Jennifer Farrell, Starshaped Press

KBAC GALLERY, MARCH 2–APRIL 27

Since 1999, Jennifer Farrell has operated Starshaped Press in Chicago, focusing on printing everything from business cards and social stationery to music packaging and posters, as well as custom commissions and wholesale cards and prints.

All work in the studio is done with metal and wood type, making Starshaped one of the few presses in the country producing commercial work while preserving antique type and related print materials.

Jennifer's work has been repeatedly recognized both in print and design blogs, and has appeared in poster shows throughout the USA and Europe.

### ORNAMENTAL LETTERPRESS WORKSHOP

Instructor: Jen Farrell  
Price \$95, Donor price \$85.50  
SATURDAY, MARCH 3, 10:00 A.M. TO 4:00 P.M.

This one-day workshop is designed to explore the patterns and expressive nature of metal type ornament; it can accent letterpress design work or function as stand-alone imagery.

Students will create keepsake prints ranging from simple one-color pieces to more intricate two-colored prints, based on ability. Common problems in letterpress composition will be addressed, as well as the aesthetic challenges that some type presents.

We'll look at tips and tricks to get the best results from both new and old metal type. Prior experience is helpful but not required and you'll go home with the work you create.

### Summer 2016 Kids Classes

All classes are suitable for kids 6 and up  
Each class is \$15

#### Papermaking Play!

Instructor: Crystal Brinkley

Thursday, June 30, 10 a.m. to 12 p.m.

Come play in our papermaking studio! Dip your arms into the cool water to pull beautiful sheets of paper. We will experiment with colorful pulp printing, marbling, and adding fibers. Use the paper for scrapbooks, cards, or works of art.

#### Japanese Books with Haiku

Instructor: Susan Price

Tuesday, July 12, 10 a.m. to 12 p.m.

First you'll make decorative papers to use on the covers for your Japanese stitched book. Then you'll learn different stitching patterns using colored thread to bind your book. To finish it up you'll write a haiku while you're here to include in your handmade book!

#### Gelli Printing

Instructor: Susan Price

Monday, July 18, 10 a.m. to 12 p.m.

Printing on Jell-O! We'll bring stamps, marbles and acrylic paints you'll use with self-inked gels on a printing plate and make amazing decorative papers. This doesn't require a printing press and can easily be done at home after you learn the basics.

#### Fans Printing

Instructor: Susan Price

Tuesday, July 26, 10 a.m. to 12 p.m.

Have fun creating any kind of print from drawings made on fans that are inked and pressed on colored paper. You can use these printed images to make greeting cards or decorate your room!

## THE IMPACT PROGRAM

This outcome-driven workforce management program review begins with a diagnostic assessment of your current approach to insurance and coverage. We will address the areas of cost-control, compliance, efficiency, communication and education in your business. We don't know how we can help you, so first, we seek to understand. Once we understand, together we will build a better plan.

Our program is divided into two phases, with your time investment noted as follows:

### PHASE ONE: DIAGNOSTICS & REVIEW

**ASSESSMENT** 15 Minutes
 
**DISCOVERY** 90 Minutes
 
**ANALYSIS**

**FREEDOM PLAN DELIVERY** 90 Minutes

### PHASE TWO: EXECUTION

**IMPLEMENTATION, PRIORITIZATION & PLANNING**

**CONTINUOUS PROGRESS REVIEW**

Great coverage has to fit within your organization's philosophy, meet your budget guidelines and help you attract and retain the best employees.

### **W Labs Progress Wall | 2016—2017**

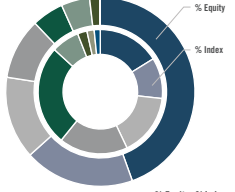

We were requested to create a project progress tracker for W Labs, the experimental wing of Whirlpool. Utilizing resources that were already sourced via Whirlpool, such as Gladiator GearTracks, we were able to implement a solution that not only served a functional purpose, but also an aesthetic one.

### IMPORTANT RISK CONSIDERATIONS

**Equity Securities:** The market price of equity securities may be adversely affected by financial market, industry, or issuer-specific events. Focus on a particular style or on small or medium-sized companies may enhance that risk. **Limited Number of Investments:** Because the fund has a limited number of securities, it may be more susceptible to factors adversely affecting its securities than a less concentrated fund. **Industry/Sector Concentration:** A fund that focuses its investments in a particular industry or sector will be more sensitive to conditions that affect that industry or sector than a non-concentrated fund. **Prospectus:** For additional information on risks, please see the fund's prospectus.

### GLOSSARY

**Avg. Weighted Market Cap (bn):** The total dollar market value of all of a company's outstanding shares. **Trailing P/E Ex-Negative Earnings:** Per share stock price divided by the latest 12-months earnings per share. **Price-to-Cash Flow:** Per share stock price divided by the per-share operating cash flow. **Price-to-Book Value:** A ratio used to compare a stock's market value to its book value. **3-Year EPS Growth Rate:** Average of earnings per share growth for latest 3-year period. **5-Year EPS Growth Rate:** Average of earnings per share growth for latest 5-year period. **Active Share:** A measure of the percentage of stock holdings in a manager's portfolio that differ from the benchmark index. **Alpha:** A risk-adjusted measure of an investment's excess return relative to a benchmark. **Beta:** A quantitative measure of the volatility, or systematic risk, of a security or a portfolio in comparison to the market as a whole. **R:** A measure that represents the percentage of a fund or security's movements that can be explained by movements in a benchmark index. **Sharpe Ratio:** A risk-adjusted measure calculated using standard deviation and excess return to determine reward per unit of risk. **Standard Deviation:** Measures variability of returns around the average return for an investment portfolio. Higher standard deviation suggests greater risk.

### INDEX DEFINITION

Index: The Russell 2000 Growth Index is a market capitalization-weighted index of growth-oriented stocks of the smallest 2,000 companies in the Russell Universe, which comprises the 3,000 largest U.S. companies. The index is calculated on a total return basis with dividends.

**The Rodney Weir Marching Band Scholarship is given to a Berrien County high school graduate that will join a college marching band.**

### HISTORY

Rodney started the scholarship in 2017, given through the Berrien Community Foundation. Rodney uses his own journey from Coloma to leading the Michigan Marching Band to highlight the benefits of marching band participation.

Rodney currently runs the Pasadena Half Marathon in January of every year, ending on the field of the Rose Bowl. Coloma was announced at the Rose Bowl in 1992 as Rodney led the Michigan Marching Band at one of the premier sporting and cultural events in the world.

Rodney's first game as Drum Major at Notre Dame in 1990.
